

# Benoni Camera Club

January / February

Dear fellow Camera Club member..

"A photograph that has not been shared, or at least printed is almost an unexistant photograph, is almost an untaken picture" unkown.

I came across this quote and realized that I am guilty of this. I snap away taking photos but yet just don't get around to submitting them, for whatever reason. It really is quite rewarding at club when your image gets a good result or you hear people "oohhing and aahing" over your image as it projects. Join me in making 2014 the year of "sharing".

Your annual subscriptions are now due, please note that we are no longer able to accept cash and ask that you please make your payment via eft.

The results of the versatility evening and who will be awarded prizes will be announced shortly.

Only photo vault entries will be accepted for "e" submissions. A workshop is being held by Lyn Romano to assist with photo vault. There is limited space so book early.

In the last newsletter we mentioned we would be doing away with printed certificates. This will take awhile to implement, as a result we will continue with printed certificates.

See you at club.

*Michele*
