

Benoni Camera Club

September 2014

Dear fellow Camera Club member..

Congratulations to Reg on being elected to the 2014 PSSA board. We know that he will do an outstanding job and look forward to hearing all about what the PSSA is planning for 2014. One of my favorite smells is that of the earth just after the fall of rain. To be honest I am not even sure if I could find the correct words to explain. Spring is most certainly on the way and this means it's time for us all to get out there and capture the beauty of what each new day brings, the new bud that is about to blossom, the new bird that has come to visit and the wonderful lazy late afternoon sunset. Enjoy the warmer weather and longer hours that allows you to take more pictures. See you at club.

ITS CERPS TIME

CERPS for our new members (a full explanation will be done by Paula at the next meeting) is an annual interclub competition between all photographic clubs on the East Rand. The competition was started in 1980 and is indeed one of the most prestigious events held during the year.

The competition is tough as we go up against some of the strongest photography clubs in the country. If you are a print worker and you have received a COM or Gold award please bring your prints along to the next meeting and give to Lyn for consideration.

We would like to appeal to you all to come along and support the club at the even which will be held on 18 October, additional information will be supplied by Paula at the next meeting
